### Identification

|                              |                               |
|------------------------------|-------------------------------|
| Category                     | Accessories                   |
| Series of hoods/housings     | Han A <sup>®</sup>            |
| Type of accessory            | Protection cover              |
| Description of the accessory | for hoods<br>With fixing cord |

### Version

|                            |                      |
|----------------------------|----------------------|
| Size                       | 10 A                 |
| Locking type               | Single locking lever |
| Han-Easy Lock <sup>®</sup> | Yes                  |

### Technical characteristics

|                                        |                 |
|----------------------------------------|-----------------|
| Limiting temperature                   | -40 ... +125 °C |
| Degree of protection acc. to IEC 60529 | IP65            |
| Type rating acc. to UL 50 / UL 50E     | 4<br>4X<br>12   |

### Material properties

|                         |                                       |
|-------------------------|---------------------------------------|
| Material (hood/housing) | Aluminium die-cast                    |
| Surface (hood/housing)  | Powder-coated                         |
| Material (locking)      | Polycarbonate (PC)<br>Stainless steel |
| Colour (locking)        | RAL 7037 (dust grey)                  |

**Pushing Performance**  
Since 1945

## Material properties

|                                                            |                                                           |
|------------------------------------------------------------|-----------------------------------------------------------|
| Material flammability class acc. to UL 94 (locking levers) | V-0                                                       |
| RoHS                                                       | compliant                                                 |
